

Information Regarding Your Right to Choose Health Care Providers

Evan D. O'Brien, M.D., P.C. may prescribe certain diagnostic tests necessary to help ensure the best diagnosis and treatment of your symptoms. He may suggest health care facilities and/or individuals regarded as qualified for the testing and treatment that is necessary.

If you prefer to use the services of other health care providers and/or medical diagnostic facilities, you may do so. This will in no way affect the care that will be provided to you by Evan D. O'Brien, M.D., P.C.

After reading the above, please sign this statement indicating that you understand this information and your ability to choose other health care providers if you so desire.
